The Hospital apparatus the last grade seems to have been taken as in place of Rangaswamy Pillai - Now that the Indigenous Hospital has raised the scale of establishment, the remunerations recommended by Dr Benson seem quite just to the men working in the Medical Dept. & may be sanctioned. At the same time I do not think it

(13)

quite fair to Rangaswamy Pillay to remove his name altogether from the Medical Est. He may be recorded so that he may continue to have a lien on his appointment as that Dr. Benson is agreeable to this arrangement.

Q.

31-12-96

Why shd. Rangaswamy Pillay be kept on the Roll of the Medical Officers for nameswake? If he is to be kept on his occupier will be one at least who does duty. How long can the latter be kept like that? Question of Pension to the former will be considered after. Will the Municipality of the Roll. Records must his whole Pension or what? Refer to the Rules.

R. R. Ramasamy Pillay seems to be the senior amongst Hospital Asts. Who is the next senior? Is A.S. Govindasamy Pillay is the next senior.

The Ludhiana Hospital is a useful institution. Government deem it necessary to have it properly superintended by an officer of the Medical Dept. Hence the deputation of Rangasamy Pillai. In my humble opinion therefore his name should not be removed from the Medical Dept. As already proposed, he may be seconded, and promotions made

The question regarding the promotion of Lady Apothecaries came up in Miss Sarah Pattons case in Novr 1897. and promotion was given to her from the 4th to the 3rd Class of Apothecaries (i.e. from 75 to 100) calculating 5 years service from date of first entertainment and not from the date of apptt as Lady Apothecary under the pension scheme of Sept/97. (Please see the Secty's Note and the late 3rd Class order thereon). It is in pursuance of that precedent that promotion is now recommended in the case of Mrs Sundramma Dandsingh, and it may, it is submitted, be sanctioned.

GOVERNMENT OF MYSORE

GENERAL

PROCEEDINGS

Dated 23*rd September* 1897

No. 3868-9 / Mis. 736

Sanctioning the revision of the Medical Establishment of the State.

M.G.C.P.B.—24-9-97—250.

READ:—

Letter No. 935, dated 3rd May 1897, from the Senior Surgeon and Sanitary Commissioner with the Government of Mysore, submitting a proposition statement containing certain proposals for the revision of the Medical Department of the State.

2. Letter No. 973, dated 13th May 1897, from the same Officer, suggesting that the two Assistant Surgeons in charge of Special Institutions be placed in a separate grade, with the same salaries and prospects of promotion, as Assistant Surgeons on ordinary medical duty.

No. 3868-9—Mis. 736, DATED, BANGALORE, 23RD SEPTEMBER 1897.

ORDER THEREON.—The present Medical Establishment of the State consists chiefly of Officers employed under the re-organization scheme, sanctioned in Government Proceedings No. 885-7—4, dated 5th May 1884, the only important modifications since made being:—

(1) The creation of a grade of Senior Hospital Assistants under Proceedings No. 7000-1—72, dated 26th January 1887.

(2) The institution of a grade of Sub-Assistant Surgeons under Proceedings No. 2946-7, dated 26th March 1888, with pay and allowances subsequently fixed by Proceedings No. 2231-2—14, dated 6th July 1888; and,

(3) The appointment of a Special Civil Surgeon on a salary of Rs. 600.

2. The Senior Surgeon now submits certain proposals for strengthening the Medical Service of the State and improving the pay and prospects of the members of the various grades constituting it. Having given those proposals their most careful consideration, Government are of opinion that they are on the whole very reasonable. The object of the scheme is not only to add to the number of superior Officers to the extent called for by present requirements, but also to make the emoluments in the Medical Department nearly the same as in other departments, and to offer some definite prospect of promotion to the various grades of Medical Officers.

3. *Civil Surgeons.*—In addition to the Special Civil Surgeon on Rs. 600 above referred to, there are now three classes of Civil Surgeons on Rs. 500, 450 and 350. There are no Officers in the 1st Class, while there are two in the 2nd Class and one in the 3rd. The Senior Surgeon proposes to do away with the special appointment and to have three classes on Rs. 600, 500 and 400, respectively.

Government are pleased to direct that the scale of Civil Surgeons be fixed at present as follows:—

One in the 1st Class on Rs. 600 and three in the 2nd Class on Rs. 500.

Promotion from one class to another will be by vacancy and not by mere efflux of time.

The question of increasing the number of Civil Surgeons from four to eight by having a 3rd Class on Rs. 400, with the object of providing prospects of promotion to deserving Assistant Surgeons, requires no decision at present.

Civil Surgeons will be appointed by selection and according to merit.

4. *Assistant Surgeons.*—The total number of Assistant Surgeons is at present twelve, besides the two specialists who will be separately dealt with. Surgeon Lieut.-Colonel Benson's proposal to raise this number to 17 is approved. The salaries attached to Assistant Surgeons have hitherto been as follows:—

	Rs.
1st Class	200+50
2nd Class	150+50
3rd Class	100+50

There will in future be four classes of Assistant Surgeons on consolidated pay as shown below:—

	Rs.
1st Class	300
2nd Class	250
3rd Class	200
4th Class	150

Assistant Surgeons will rise from one class to another after three years' approved service. As, in future, all persons entering the higher branch of the Medical Service will ordinarily begin as Sub-Assistant Surgeons, there will be no difference in point of period of approved service required for promotion from the last class of Assistant Surgeons to the next higher class, between a Madras M. B. or Bombay L. M. S., and a Madras L. M. S.

5. *Specialists.*—There are two Specialists on Rs. 150 + 50 + 50 and Rs. 150 + 50, respectively, namely, Mr. S. V. Ramaswamaiyengar, M. B., C. M., L. R. C. P. & S. (Edin.) L. F. P. and S. (Glasgow), who is in charge of the Eye-Infirmary and Mr. M. Srinivasa Rao, M.A., M. B., C. M. & B. SC. (Edin.), who has recently been appointed Chemical Examiner and Bacteriologist. The Government are pleased to sanction the following consolidated salaries for them, namely:—

For Mr. S. V. Ramaswamaiyengar, Oculist, Rs. 300 for all duties, the present allowance of Chief Assistant to the Senior Surgeon being abolished; and

For Mr. Srinivasa Rao, Chemical Examiner and Bacteriologist, (also for all duties) Rs. 200 rising to Rs. 250 after three years' approved service, from the date of his first appointment (12th December 1896) and to Rs. 300 after a further approved service of three years.

Their prospect of further promotion whether as Specialists or in the General Medical Service need not now be defined.

6. *Sub-Assistant Surgeons.*—There are now two classes of Sub-Assistant Surgeons on Rs. 90 + 30 and Rs. 70 + 30. In future these officers will be placed in three classes on consolidated pay as follows:—

1st Class on Rs. 120, after two years' approved service in the 2nd Class.

2nd Class on Rs. 100, after two years' approved service in the 3rd Class in the case of an M. B. of the Madras University or L. M. S. of the Bombay University, and three years' approved service in the case of an L. M. S. of the Madras University.

3rd Class on Rs. 80.

There will be twelve Sub-Assistant Surgeons instead of six. The promotion of a Sub-Assistant Surgeon to an Assistant Surgeonship will be regulated by vacancy and merit and not by time. All persons to be appointed to the grade of Sub-Assistant Surgeons must have passed the Madras M. B. Examination or the L. M. S. Examination of Bombay or Madras.

7. *Apothecaries.*—For the special benefit of woman-doctors with Apothecary qualifications but not possessing the degree qualifications prescribed for Sub-Assistant and Assistant Surgeons, the institution of a grade of Apothecaries will be sanctioned with salaries as per scale below:—

	Rs.	
1st Class	150	To rise from one class to the next higher by approved service of five years.
2nd Class	125	
3rd Class	100	
4th Class	75	

The Senior Surgeon's proposal to promote male Hospital Assistants with Apothecary qualifications to the grade of Apothecaries does not commend itself to Government.

8. *Honorary Sub-Assistant Surgeons and Assistant Surgeons.*—As a reward for special merit among Apothecaries and Senior Hospital Assistants, Government will, from time to time, make such honorary appointments from among them as may be deemed desirable, to particular classes of Sub-Assistant Surgeons and Assistant Surgeons, and advance them in due course to higher classes in the same grades. The scale of such honorary appointments will, for the present, be fixed as follows:—

	Rs.
1 Honorary Assistant Surgeon (4th Class) on	150
1 Do Sub-Assistant Surgeon (1st Class) on	120
2 Honorary Sub-Assistant Surgeons (2nd Class) on	100

9. *General.*—The scheme sanctioned as above will be given effect to from 1st October 1897.

No allowances, other than those included in the consolidated salaries now fixed, will be affected by this revision.

10. *Appointments and Promotions.*—Under the scale as now revised the following appointments and promotions will be ordered:—

Mr. D. A. Choksi, L. M. S., Special Civil Surgeon	To be Civil Surgeon, 1st Class, on Rs. 600.
Dr. A. S. Fernandes, M. D., M. R. C. P., L. R. C. S., (Edin.) L. M. S., &c., Civil Surgeon, 2nd Class, old scale. Mr. P. S Achyuta Rao, L. M. S., Civil Surgeon, 2nd Class, old scale, and Mr. T. V.
